

MOVIE PERMISSION SLIP

Dear Students and Parents,

Our school and district requires parental permission for students to view movies that are rated PG or PG-13, when these movies are used alongside our curriculum. The movies will not be movies to view for fun. The purpose is to supplement our regular classroom processes with a more 21st Century way of learning. All of the movies will serve a purpose in our class and are related to our classroom curriculum.

Below is a list of movies that we **may** utilize throughout the year. (Most likely we will **NOT** view all of the movies listed below, but could watch excerpts and clips.) If you have no objections to your child viewing these titles, please sign below. This will give your child permission to participate in viewing these movies. If you do not sign and do not wish your child to participate, they will be sent to another room during that time and will be given an alternate assignment while the movies/clips are viewed.
